All children under 10 years MUST be
accompanied by a responsible adult

Mosquito CONTROL

The Shire of Mount Magnet fogs for mosquitoes twice weekly (weather permitting) between 6:30 and 8:00pm. The Caravan Park grounds are fogged between 7:30pm and 8:00pm.

Please be mindful of this when you are preparing food or eating. The fogger has a plume of fog trailing from it and makes a distinctive putt putt sound (loud).

2014 AUSTRALIA DAY **ACTIVE CITIZENSHIP AWARDS**

On Australia Day we come together as a nation to celebrate what's great about Australia and being Australian.

The Premier's Australia Day Active Citizenship Awards focus on community contribution and participation rather than personal achievement. Categories are as follows:

- * Outstanding community contribution by a local citizen
- * Outstanding community contribution by a local citizen under 25 years of age
- * Outstanding community contribution by a local group or community event

**Nomination forms are available at the
Shire Administration Office.
Nominations close Friday, 28 November 2014**

Mt Magnet Gold Pty Ltd (MMG) - 1080 Baiting

Mt Magnet Gold Pty Ltd (MMG) would like to advise the community of Mt Magnet of their intention to lay 1080 poison oats for the control of rabbits. Baiting areas are within recently rehabilitated areas on MMG Mining Leases and have been fenced and signposted. MMG intend to commence baiting on the 12th of September 2014 and complete the baiting program on the 12th of December 2014.

Please be advised that 1080 is highly toxic, the consumption of an animal that has ingested a lethal or sub-lethal dose of 1080 poses a serious risk of secondary poisoning to humans and animals. Access to MMG Mining Leases is restricted at all times, please ensure you do not enter these areas without authorisation from Mt Magnet Gold. The hunting or trapping of animals or removal of hides or carcasses on MMG Mining Leases is prohibited and MMG recommends pets and stock be restrained from entering baiting areas.

If you would like further information about this baiting program please contact MMG's Senior Environment Coordinator Dolly Pett, or Environmental Officer Jareth Howard, on 0417 069 828. Alternatively you can speak to a Biosecurity Officer at the Department of Agriculture and Food WA (DAFWA). More information about the use of 1080 is available from DAFWA's website: www.agric.wa.gov.au

YOUNG AT HEART Family Fun Day

A special thank you to WACRH students, St John Ambulance volunteers and Admin/Works staff at the Shire of Mount Magnet.

Volunteer recognised for 50 years of rainfall records

Issued: 24/10/2014

Mr Laurie Jensen at Yoweragabbie Station

The outstanding contribution of Mr Laurie Jensen has been recognised with a Bureau of Meteorology Rainfall Excellence Award presented at Yoweragabbie Station.

Bureau of Meteorology Regional Director WA Mike Bergin said the commitment to the community shown by all of the Bureau of Meteorology's volunteers was to be commended.

Mr Jensen of Yoweragabbie Station near Mount Magnet was recently presented with a Rainfall Excellence Award after completing more than 50 years of rainfall observations.

"Thanks to the dedication of Mr Jensen, this remains a continuous and reliable rainfall record over more than 50 years," Mr Bergin said.

"The commitment to the community shown by all of the Bureau of Meteorology's volunteers, including Mr Jensen, is to be commended."

"Australia is a vast continent and while the Bureau's network is extensive, there are many areas that are not covered except by the dedicated service of volunteers such as Mr Jensen."

Mr Jensen told Bureau staff about the family's history in the Mount Magnet area with their first station purchased in the 1930's. The family's legacy continues with Mr Jensen's son working at Yoweragabbie and his daughter at a nearby station.

Mr Bergin said these awards are a timely reminder to acknowledge all volunteers, including emergency services and many other organisations and individuals who selflessly provide their time and skills in the service of the community.

"The Bureau relies on a network of thousands of volunteers, including rainfall and river height observers, storm spotters and volunteers at sea," Mr Bergin said.

"This network of dedicated people provides the Bureau with the information it needs to deliver crucial weather and forecasting services to communities across Australia, and strengthen the long-term understanding of Australia's climate."

Include further information and links to www.bom.gov.au, if applicable.

ENDS...
