### Mosquito CONTROL

The Shire of Mount Magnet fogs for mosquitoes twice weekly (weather permitting) between 6:30 and 8:00pm. The Caravan Park grounds are fogged between 7:30pm and 8:00pm.

Please be mindful of this when you are preparing food or eating. The fogger has a plume of fog trailing from it and makes a distinctive putt putt sound (loud).

Hello Everyone.

I am relieving as Officer in Charge of Mount Magnet Police Station for the next few weeks so business as usual in regards to reporting matters.

The month of July has been constant for us with numerous incidents of crime being reported to us here and the month is not over yet.

The reporting of crime to us has improved whereby we are being advised of incidents when they occur compared to previously.

The Shire Ranger was informed of the issue with dogs and this has been remedied recently with fewer dogs roaming the streets.

It is probably a prudent time to request that all responsible dog owners be aware of their animals and that they are currently registered with the Mount Magnet Shire. This will also assist if they should end up roaming the streets.

There has been an influx of holiday makers and caravans in the township recently so traffic congestion may be affected. Police request people be patient when driving through the township during this busy time.

There have been some recent successful results coming from positive investigations which have resulted in offenders being charged.

A reminder about reporting crime to police is to use the 000 emergency number when required or the 131444 if the matter is non-urgent. These numbers are monitored 24 hours a day and Mount Magnet Police staff will be advised accordingly.

Stay safe and have a good month.

Rickie WINIKEREI.  
Sergeant – Officer in Charge.  
Mount Magnet Police Station.
