

## **SHIRE OF MOUNT MAGNET**

---

### **COMMUNITY PUBLIC NOTICE – PN005/2018**

---

The community is advised that at its Council meeting on 26<sup>th</sup> of September 2018 the Shire of Mount Magnet resolved to commence a review of its 2012 – 2022 Strategic Community Plan. An important part of the review process will be to engage with the community through several community consultation forums, surveys and a formal process of inviting submissions to the Plan. A draft Plan will be prepared by Councils CEO that will allow for the community to make a submission and provide comments.

A series of public community forum workshops will be planned for late November 2018 and early February 2019 as part of the review process. The results of these community forum workshops, together with the survey results and formal submissions will be critical to developing the final Strategic Community Plan. In this regard the community is encouraged to be involved in the review process. Council intends to adopt the final Strategic Community Plan at its Ordinary Council Meeting in February 2019.

The community will be progressively advised of the review process through further Community Public Notice's and in regular editions of Council Comments and updates on Councils website. Should any community member have any further queries please do not hesitate to contact the undersigned on 9963 3000. Thank you.
