(3) Where, in this local law, a duty, obligation or liability is imposed on an “owner or occupier” the duty shall be deemed to be imposed jointly and severally on each owner and occupier.

(4) Where, under this local law, the local government is authorised to carry out actions, or cause to be undertaken works, as a consequence of the failure of any person to comply with the terms of a notice or other conduct, the right to enter land is at all times subject to the provisions of Part 3, Division 3, subdivision 3 of the Act.

PART 2—KEEPING OF ANIMALS

Division 1—Animals

2.1 Interpretation

In this Division, unless the context otherwise requires—

animal includes cats, dogs, rabbits, ferrets and livestock as prescribed in clause 1.4(1) above or the like; and

manure bin means a receptacle constructed of smooth, impervious material and in such a manner as to be easily cleaned, which has a tight fitting lid or cover to prevent the release of odours and prevent the entry of flies;

2.2 Cleanliness

An owner or occupier of premises in or on which a dog, cat or other animal is kept shall—

- (a) keep the premises free from excrement, filth, food waste and all other matter;
- (b) when so directed by an EHO, clean and disinfect the premises; and
- (c) keep the premises, so far as possible, free from flies or other vermin, by spraying with a residual insecticide or other effective means.

2.3 Animal enclosures

(1) A person shall not keep or cause, or permit to be kept, any animals on premises which are not effectively drained or of which the drainage flows to the walls or foundations of any building.

(2) The owner or occupier of premises where animals are kept shall, when directed by an EHO, pave, grade and drain the floors of all structures and the surface of the ground of all enclosures used for the keeping of animals.

*Division 2—Keeping of birds***2.4 Keeping of poultry and pigeons in a residential zone**

(1) An owner or occupier of premises in a residential zone shall not keep or permit to be kept on the premises any poultry or pigeons—

- (a) unless approved by the local government in accordance with clause 2.6; and
- (b) otherwise than in accordance with subclause (2).

(2) An owner or occupier of premises in a residential zone shall not keep or permit to be kept on the premises—

- (a) more than 12 poultry; and
- (b) more than 12 pigeons unless the owner or occupier is an affiliated person in which case the maximum number of pigeons may be increased to 100.

2.5 Application for approval to keep poultry and pigeons in a residential zone

(1) Subject to compliance with subclause 2.5(2), the local government may approve the keeping of poultry or pigeons in accordance with this local law by an owner or occupier of premises within a residential zone subject to the following—

- (a) the owner or occupier submitting an application to the local government, which application shall—
 - (i) specify the number of poultry or pigeons proposed to be kept; and
 - (ii) include a site plan showing lot size, location of enclosure, distance from boundaries and buildings and proximity to houses on adjoining land.

(2) The local government may, at its discretion, conduct public consultation with all owners/occupiers whose property abuts the applicant's property prior to the application being determined.

(3) The local government may approve, with or without conditions, or refuse to approve an application received under this clause.

(4) Where an approval for the keeping of poultry or pigeons is issued subject to conditions, the holder of the approval shall comply or cause compliance with those conditions.

2.6 Conditions for keeping of poultry

A person who keeps poultry or permits poultry to be kept shall ensure that—

- (a) no poultry shall be kept less than 6 metres from any residential building;
- (b) no poultry is able to approach within 10 metres of a public street, public building, commercial premises or food premises;
- (c) all poultry is kept in a properly constructed and securely fastened structure;
- (d) the structure has an impervious floor laid with a fall to the front of at least 1 in 50;
- (e) all structures or enclosures within which poultry are kept are maintained at all times in a clean condition; and
- (f) all poultry is kept continually confined.

2.7 Roosters, geese, turkeys and peafowl

Except on land in a rural or rural residential zone, or with the prior written permission of the local government, an owner or occupier of premises shall not keep any of the following—

- (a) roosters;
- (b) geese;
- (c) turkeys; or
- (d) peafowls.

2.8 Conditions for keeping of pigeons

(1) A person who keeps pigeons, or permits pigeons to be kept, shall ensure that—

- (a) all pigeons are kept in a properly constructed pigeon loft, except where registered homing pigeons are freed for exercise;
- (b) all structures or enclosures within which pigeons are kept are maintained at all times in a clean condition;
- (c) no opening to a pigeon loft, including openings for ventilation, is within 9 metres of any residential building; and
- (d) no opening to a pigeon loft, including openings for ventilation, is within 15 metres of a public street, public building, commercial premises or food premises.

(2) An affiliated person who keeps pigeons, or permits pigeons to be kept, shall do so in accordance with the Code of Practice—Pigeon Keeping, subject to the provisions of this local law.

2.9 Termination of approval to keep poultry or pigeons

If an owner or occupier of premises to whom an approval to keep poultry or pigeons has been granted by the local government pursuant to subclause 2.6(3)—

- (a) breaches a condition of the approval;
- (b) breaches clause 2.7 or clause 2.9 of this local law; or
- (c) fails to comply with a written notice served by the local government in relation to the keeping of poultry or pigeons,

then the local government may cancel its approval upon written notice of such cancellation being given to the owner or occupier within 60 days of the breach or failure to comply as the case may be.

2.10 Restrictions on pigeon nesting and perching

The local government may order an owner or occupier of a house on or in which pigeons are, or are in the habit of nesting or perching, to take adequate steps to prevent them from continuing to do so.

2.11 Conditions of keeping aviary birds

A person who keeps, or permits to be kept, aviary birds shall ensure that—

- (a) the aviary or cage in which the birds are kept is located at least 1 metre from any lot boundary and at least 5 metres from a residential building on any other lot;
- (b) there is a floor beneath the roofed area of the aviary or cage which is constructed of smooth, impervious material with a gradient of at least 1 in 50 to the front of the aviary or cage;
- (c) the aviary or cage is kept in clean condition and good repair at all times;
- (d) all feed for the birds other than that intended for immediate consumption is stored in vermin proof containers; and
- (e) effective measures are taken to prevent the attraction or harbourage of vermin.

2.12 Nuisance caused by birds

An owner or occupier of land shall not keep any bird or birds which—

- (a) are or create a nuisance; or
- (b) emit an unreasonable noise.

*Division 3—Keeping of bees***2.13 Permit required to keep bees**

(1) Subject to the provisions of this clause, a person shall not keep bees or allow bees to be kept on land except in accordance with a valid permit issued in relation to the land.

(2) Subclause (1) does not apply where—

- (a) the land is outside the townsite; and
- (b) the bees are kept—
 - (i) at least 500 metres from a thoroughfare; or
 - (ii) less than 500 metres from a thoroughfare but the vegetation or a screen or other barrier on the land is such as to encourage the bees to fly at a height over the thoroughfare as will not create a nuisance to users of the thoroughfare.

(3) Subclause (1) does not apply where an occupier of land keeps bees on the land—

- (a) for a continuous period not exceeding 8 weeks; and
- (b) for the purpose of pollinating a crop on the land.

(4) An occupier referred to in subclause (3), in keeping bees under that subclause, shall provide a good and sufficient water supply on the land which is readily accessible by the bees.

(5) Subclause (1) does not apply where a person keeps bees on Crown land.

2.14 Application for a permit

An applicant for a permit to keep bees shall—

- (a) be a person registered as a beekeeper under the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013*;
- (b) provide such details as may be required by the local government;
- (c) apply in the form approved by the local government; and
- (d) pay any application fee imposed and determined by the local government under sections 6.16 to 6.19 of the Act.

2.15 Determination of application

(1) The local government may—

- (a) refuse to determine an application for a permit which does not comply with clause 2.15;
- (b) approve an application for a permit subject to the conditions referred to in clause 2.15 and to such other conditions as it considers appropriate; or
- (c) refuse to approve an application for a permit.

(2) Where an application for a permit is approved subject to conditions, the permit holder is to comply with those conditions or is to cause those conditions to be complied with.

(3) Where the local government approves an application under subclause (1)(b), it is to issue to the applicant a permit in the form approved by the local government.

(4) A permit is valid from the date of issue unless, and until, it is cancelled under this local law.

2.16 Conditions of approval

(1) Without limiting the generality of paragraph 2.16(1)(b) an application for a permit may be approved by the local government subject to the following conditions—

- (a) the provision of a good and sufficient water supply on the land which is readily accessible by the bees on the land;

- (b) each bee hive shall be—
 - (i) kept at a distance specified by the local government from any thoroughfare, public place or boundary of the land; or
 - (ii) located near a screen or other barrier so as to prevent the bees flying low over a thoroughfare, public place or adjoining land;
 - (iii) no more than 2 bee hives are to be kept on land of less than 2,000 square metres in area; and
 - (iv) no more than 15 bee hives are to be kept on land between 2,000 square metres and 20,000 square metres in area.

(2) In respect of a particular application for a permit, the local government may vary any of the conditions referred to in subclause (1).

2.17 Variation or cancellation of permit and conditions

- (1) The local government may vary the conditions of a permit after it has been issued.
- (2) The local government may cancel a permit on the request of a permit holder to do so.
- (3) Notwithstanding clause 2.22, a permit shall be cancelled on—
 - (a) the permit holder ceasing to be registered as a beekeeper under *the Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013*; or
 - (b) the expiration of a continuous period of 12 months during which the permit holder has not kept any bees on the land to which the permit relates, without any action required on the part of the local government.

2.18 Permit holder to notify cessation of registration or keeping of bees

- (1) In this clause a **permit holder** includes the holder of a permit cancelled by subclause 2.18(3).
- (2) A permit holder is to notify the local government in writing as soon as practicable after—
 - (a) the permit holder ceases to be registered as a beekeeper under the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013*; or
 - (b) a continuous period of 12 months has passed during which the permit holder has not kept any bees on the land described in her or his permit.
- (3) A permit holder shall, within 7 days of the local government giving the permit holder a written notice to do so, provide to the local government—
 - (a) written proof of her or his registration as a beekeeper under the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013*;
 - (b) in respect of land identified by the local government in its notice, a signed statement as to whether or not he or she has kept bees on the land within the 12 months preceding the date of the notice; or
 - (c) both.

2.19 Permit not transferable

A permit is personal to the permit holder and applies only to the land described in the permit.

2.20 Nuisance

A person shall not keep, or allow to be kept, bees or beehives, or both, on land so as to create a nuisance.

2.21 Notice to remove bees

- (1) Whenever, in the opinion of the local government, a person has contravened any provision of the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013* or of this local law which relates to the keeping of bees or bee hives, the local government may give the permit holder, in relation to that land, or if there is no valid permit in relation to that land, an owner or occupier of the land, a written notice requiring her or him to remove any bees or bee hives, or both, from the land within the time specified in the notice.
- (2) Subject to Division 1 of Part 9 of the Act, on the giving of a notice referred to in subclause (1), any valid permit given by the local government relating to the keeping of bees or bee hives on that land is cancelled from the time specified in the notice, being not less than 7 days from the date it is given.
- (3) Where a person fails to comply with a notice given under subclause (1), the local government may dispose of the bees or the bee hives or both, in such manner as it sees fit and recover the costs of so doing from the permit holder, or an owner or occupier, as the case may be, as a debt due to it.

Division 4—Keeping of farm animals

2.22 Permit required to keep farm animals

Subject to clause 2.28, an owner or occupier of townsite land shall not keep, or allow to be kept, any farm animal unless—

- (a) in accordance with a valid permit authorising the keeping of such a farm animal issued in relation to the land pursuant to clause 2.26; or
- (b) in a rural zone and in accordance with the provisions of any local planning scheme applicable to that zone.

2.23 Application for a permit to keep farm animals

An application for a permit required by clause 2.23 shall be in the form approved by the local government and shall include the following information—

- (a) a plan of the property, at a scale not less than 1:200, with dimensions clearly marked, showing where it is proposed that the animal is to be kept and the distance of that location from any residential building on another lot, Class 6 building or Class 9 building, business premises or food premises;
- (b) a sketch plan, at a scale of 1:100, indicating the nature of the shelter or housing to be provided for the animal;
- (c) a detailed written plan for the management of manure which addresses—
 - (i) control of flies and other vermin;
 - (ii) disease prevention; and
 - (iii) prevention of nuisance odours; and
- (d) the appropriate application and permit fees as determined from time to time by the local government in accordance with sections 6.16 to 6.19 of the Act.

2.24 Determination of application to keep farm animals

(1) Subject to clause 2.26, the local government may—

- (a) refuse to determine an application for a permit which does not comply with clause 2.24;
- (b) approve an application for a permit subject to such conditions as it considers appropriate; or
- (c) refuse to approve an application for a permit.

(2) Where an application for a permit is approved subject to conditions, the permit holder shall comply with those conditions or cause compliance with those conditions.

(3) Where the local government approves an application under paragraph (1) (b), it is to issue to the applicant a permit in the form approved by the local government.

(4) A permit is valid from the date of issue until 30 June the following year, unless it is cancelled prior to that date under this local law.

2.25 Conditions of approval to keep farm animals

(1) A permit shall not be granted pursuant to clause 2.25—

- (a) unless the land for which the approval is sought is of such dimensions and configuration as will permit the subject animal to be confined in a minimum cleared area of 150 square metres and prevented from approaching within 15 metres of any residential building, Class 6 building or Class 9 building, business premises or food premises;
- (b) in the case of a horse (other than a miniature horse) or cow, unless the land for which the approval is sought has a minimum area of 1 hectare; or
- (c) for the keeping of any pig (other than a miniature pig).

(2) The local government shall take into account the opinions of owners and occupiers of adjoining properties in determining whether to grant approval for the keeping of a farm animal.

(3) Approval to keep a farm animal may be issued subject to conditions, including—

- (a) that a stable or shelter is provided for housing the approved animal;
- (b) that a manure receptacle is provided in a position convenient to the shelter or place where the approved animal is kept, and that the receptacle is used for the receipt of all manure produced on the premises; or
- (c) any other conditions that the local government considers necessary for the protection of the health and amenity of the neighbourhood;

and such conditions may be imposed at any time subsequent to the initial approval.

2.26 Variation or cancellation of permit to keep farm animals and conditions of permit

(1) The local government may vary the conditions of a permit after it has been issued, and shall give notice of such variation to the permit holder.

(2) The local government may cancel a permit in the event the permit holder—

- (a) fails to comply with any condition set under paragraph 2.25(1)(b);
- (b) after being notified of a variation under subclause (1) fails to comply with the varied condition;
- (c) breaches clause 2.28, clause 2.29 or clause 2.31 of this local law;
- (d) fails to comply with a notice of breach issued under clause 6.1; or
- (e) fails to comply with any condition of the permit; or
- (f) breaches clause 2.28 or clause 2.29 of this local law;

(1) All construction materials must be located on the building site or development site under construction, unless written approval has been given by the local government to store materials on another property (including a road reserve).

(2) An application for approval under subclause (1) must be—

- (a) in writing; and
- (b) accompanied by the written approval of the landowner of the land on which materials are proposed to be stored.

*Division 2—Prevention of dust and liquid waste***3.4 Prohibited activities**

- (1) An owner and or occupier of land shall take reasonable steps to—
- stabilise dust on the land;
 - contain all liquid waste on the land; and
 - ensure no dust or liquid waste is released or escapes from the land, whether by means of wind, water or any other cause.
- (2) Where the local government forms the opinion that—
- an owner or occupier has not complied with paragraph (1)(a) or paragraph(1)(b); or
 - the dust or liquid waste has been released or escaped from the owner’s or occupier’s land,
- the local government may serve on the owner and or occupier of the land, a notice requiring the owner and or occupier to do one or more of the following—
- comply with subclause (1)(a) or (1)(b);
 - clean up and properly dispose of any released or escaped dust or liquid waste;
 - clean up and make good any damage resulting from the released or escaped dust or liquid waste; and
 - take effective measures to stop any further release or escape of dust or liquid waste;
- (3) The requirements set out in a notice issued under paragraph subclause (2)(a) must be complied with—
- within 48 hours of service of the notice where no other time is specified;
 - within such other period as is specified in the notice; or
 - immediately, if the notice so specifies.
- (4) Where the local government forms the opinion that dust or liquid waste has escaped or has been released from an activity undertaken on land or as a consequence of the use of equipment on land, the local government may serve a notice on—
- any owner or occupier of the land; or
 - any operator of equipment on the land,
- requiring that the activity or use of equipment on the land be ceased immediately, for such period as is specified in the notice.
- (5) Where the local government is of the opinion that dust or liquid waste may be released or escape as a result of an activity which is likely to be carried out from any land, the local government may give to the owner and or occupier a notice providing that the activity may only be carried on subject to conditions specified in the notice.

3.5 Dust management

If an owner or occupier of land intends to undertake any work involving the clearing of land, from which any sand or dust is likely to be released whether by means of wind, water or any other cause, shall—

- submit to an authorised person a Dust Management Plan in accordance with the Department of Water and Environmental Regulation document “A guideline for managing the impacts of dust and associated contaminants from land development sites, contaminated sites remediation and other related activities” (March 2011), or any updated version of this document;
- obtain written approval of the Dust Management Plan from an authorised person before commencement of any work.

*Division 3—Smoke***3.6 Burning of cleared vegetation prohibited**

An owner or occupier of any building or development site shall ensure that no vegetation or other material cleared from the site is burnt on the site unless written authorization is provided by the local government.

*Division 4—Unsightly land and disused materials***3.7 Removal of refuse and disused materials**

- (1) The owner or occupier of a lot shall not keep, or permit to remain on the lot, any refuse, rubbish or disused material of whatever nature or kind which in the opinion of the local government or an authorised person is likely to give the lot an untidy appearance and does not conform with the general appearance of other land in that particular part of the district.
- (2) The local government or an authorised person may give notice in writing to the owner or occupier of a lot requiring the removal of refuse, rubbish or disused material from the lot within the time specified in the notice in accordance with the provisions of section 3.25 of the *Local Government Act 1995*.

3.8 Removal of unsightly overgrowth of vegetation

(1) The owner or occupier of a lot shall not permit to remain on a lot, any unsightly overgrowth of vegetation that gives the lot an untidy appearance and does not conform with the general appearance of other land in that particular part of the district or townsite.

(2) The local government or an authorised person may give notice in writing to the owner or occupier of a lot requiring the removal of the overgrowth of vegetation within the time specified in the notice.

3.9 Storage of vehicles, vessels and machinery

The owner or occupier of a lot shall not at the discretion of the local government—

- (a) store, or allow to remain in public view on any lot, more than 1 vehicle, vessel or machinery (whether licensed or not) in a state of disrepair;

- (1) An owner or occupier of an industrial lot shall be permitted to keep sea containers within their industrial lots under the following circumstances—
- (a) the owner or occupier does not allow the sea container to deteriorate into an unsightly manner. Rust, paint and overall condition of the sea container must be managed to a reasonably maintained standard;
 - (b) the owner or occupier of the lot where the sea container is placed must ensure all surrounding vegetation is maintained at a reasonable level so as not to create any hazard;
 - (c) the sea container may not be kept in parking lots for reasons other than temporary packing or unpacking of goods;
 - (d) the sea container must not pose any threat to public safety or the safety of the lot occupants at any time. The owner or occupier must ensure that fire-fighting and emergency access to the property or adjoining properties is not impeded;
 - (e) the owner or occupier of the lot shall move the sea container as needed to assist in utility providers and the local government accessing the lot as required; and
 - (f) the owner or occupier of the lot shall move the sea container as needed to assist in utility providers and the local government accessing the industrial lot as needed.
- (2) The local government or an authorised person may give notice in writing to the owner or occupier of an industrial lot requiring the removal of the sea container within the time specified in the notice for failure to comply with any of the above subclauses in this Division.
- (3) The local government reserves its right to recover any costs incurred by the local government for remedial action taken in this Division.

3.15 Sea containers in tourism areas

- (1) An owner or occupier of a tourism lot shall only be permitted to keep sea containers within their lot for any building or construction projects occurring on their lot.
- (2) Sea containers are not permitted to be used as sheds or storage unit facilities within a defined Tourism Area of the current local government gazetted Town Planning Scheme and Local Planning Strategy.
- (3) The local government or an authorised person may give notice in writing to the owner or occupier of a tourism lot requiring the removal of the sea container within the time specified in the notice for failure to comply with any of the above subclauses in this Division.
- (4) The local government reserves its right to recover any costs incurred by the local government for remedial action taken in this Division.

PART 4—NUISANCES AND DANGEROUS THINGS*Division 1—Lights***4.1 Use of exterior lights**

An owner or occupier of land on which floodlights or other exterior lights are erected or used, shall not allow the floodlights or other exterior lights to shine directly onto any other premises.

4.2 Emission or reflection of light

An owner or occupier of land shall ensure that—

- (a) artificial light is not emitted or reflected from anything on the land so as to illuminate premises outside that land to more than 50 lux; and
- (b) natural light is not reflected from anything on the land so as to create or cause a nuisance to the occupier of any other premises or to a person lawfully using a thoroughfare.

4.3 Notice may require specified action to prevent emission or reflection of light

(1) Where—

- (a) floodlights or other exterior lights shine directly onto any other premises;
- (b) artificial light is emitted or reflected from anything on the land so as to illuminate premises outside the land to more than 50 lux; or
- (c) natural light is reflected from anything on the land so as to create or cause a nuisance to the occupier of any other premises or to a person lawfully using a thoroughfare,

the local government may by notice in writing direct the owner or occupier to take such actions as an authorised person considers necessary within the time specified in the notice.

(2) The notice referred to in subclause (1) may direct that—

- (a) floodlights or other exterior lights are used only during the hours specified in the notice;
- (b) the direction in which the lights shine be altered as specified in the notice;
- (c) any reflective surfaces be painted or otherwise treated so as to abate the nuisance; or
- (d) any combination of these measures that the local government believes to be appropriate to the circumstances.

*Division 2—Smoke, fumes, odours and other emissions***4.4 Burning rubbish, refuse or other material**

(1) A person shall not set fire to rubbish, refuse or other materials.

(2) Subclause (1) does not apply to rural or rural residential zoned lots with the exception of subclause (3) below.

(3) A person shall not set fire to rubbish, refuse or other materials on rural residential zoned property being less than 2,000 square metres unless—

- (a) approval has first been obtained from the local government;
- (b) the person demonstrates to the satisfaction of the local government that reasonable alternatives for the disposal of the rubbish, refuse or other material do not exist and the potential for pollution is low;
- (c) the material does not include any plastic, rubber, food scraps or other material likely to cause the generation of smoke or odour in such quantity as to cause a nuisance to other persons;
- (d) a haze alert has not been issued by the Bureau of Meteorology for the period during which burning is to take place; and
- (e) the burning complies with the Bush Fires Act 1954, any annual fire hazard reduction notice issued by the local government under the Bush Fires Act 1954 and any conditions of approval as determined by the local government.

(4) Subclauses (1) and (3) shall not apply to any barbeque, solid fuel water heater, space heater or ovens fired with dry paper, dry wood, synthetic char or charcoal type fuel.

(5) Subclause (4) is subject to any fire danger rating as determined by the Bureau of Meteorology.

4.5 Escape of smoke, fumes, odours and other emissions

An owner or occupier of land or premises shall take reasonable steps not cause or permit the escape of smoke, fumes or odours from the land or premises in such quantity or of such a nature as to cause or to be a nuisance to any person.

*Division 3—Trucks***4.6 Livestock vehicles**

(1) A person shall not park a vehicle containing livestock in a townsite for a period in excess of 30 minutes.

(2) A person shall not park a vehicle which contains or has been used for the carriage of livestock so as to create or be a nuisance to any person, by reason of the odour emanating from the vehicle.

(3) If a person parks a vehicle containing livestock in a townsite in accordance with subclause (1), then the person does not contravene subclause (2).

4.7 Truck noise from residential land

A person shall not start or drive a truck on land zoned, approved or used for residential purposes between the hours of 10.30 pm and 6.00 am on the following day without first obtaining the written consent of the local government.

Division 4—Swimming pool backwash management
