

SHIRE OF MOUNT MAGNET

COMMUNITY PUBLIC NOTICE – PN015

The community is advised the first community workshop to commence reviewing the Strategic Community Plan was held on Tuesday 18th of December 2018. A second community workshop is planned for February 2019 and in the meantime the community is requested to familiarise themselves with the 2012 – 2022 Strategic Community Plan and to make comments and submissions to the Strategic Community Plan.

The purpose of this Community Public Notice to all Mount Magnet residents is to encourage people, organizations and businesses to make a submission to the Strategic Community Plan process. A copy of the current 2012 – 2022 Strategic Community Plan is available from the Shire office that is also available on the Council's website at:

www.mtmagnet.wa.gov.au/publicdocuments/corporate&communityplans/strategiccommunityplan

The workshops are an important part of the review process intended to engage with all the community together with the surveys and formal process of inviting submissions to the Plan.

The results of the community forum workshops, together with the survey results and formal submissions will be critical to developing the final Strategic Community Plan and the community is strongly encouraged to be involved in the review process. Council intends to consider all community comments and submissions to Strategic Community Plan at its Ordinary Council Meeting in February 2019.

The community will be progressively advised of the review process through further Community Public Notice's and in regular editions of Council Comments and updates on Council's website. Should any community member have any further queries please do not hesitate to contact the undersigned on 9963 3000. Thank you.
