**PUBLIC NOTICE – PN019**

**DISABLED AND LOADING ZONE PARKING**

The community is advised that the Shire of Mount Magnet has observed that some members of the public are parking illegally in designated disabled areas or loading zones. These parking areas are clearly marked as either Disabled Parking or Loading Zone parking only.

Signage for Disabled Parking and Loading Zone are marked for a good reason and illegal parking in these areas disadvantages genuine users of these designated parking areas. In this regard Council will monitor these designated parking areas to ensure that users follow the correct procedures and signage for parking.

Council appreciates the cooperation of the community in this matter and any further queries can be directed to the CEO or Works Manager at the Shire of Mount Magnet.
