

SHIRE OF MOUNT MAGNET

PUBLIC NOTICE PN020

COUNCIL LANDFILL SITE

The community is advised that the Shire of Mount Magnet has observed that rubbish is being disposed at the landfill site in the wrong areas. Signage at the landfill site clearly indicates the correct area for the disposal of waste, either inert or putrescible waste and the community are requested to be familiar with this signage and dispose of rubbish in the correct areas.

Council will monitor users of the landfill site to ensure that users follow the correct procedures and signage at the landfill site. Council appreciates the cooperation of the community in this matter and any further queries can be directed to the CEO or Works Manager at the Shire of Mount Magnet.
