COMMUNITY PUBLIC NOTICE – PN021

Town Footpath Works

The community is advised that Council will commence the first stage of its Town Footpath Works Program on Wednesday 6th of March 2019. This first stage will involve some repairs to existing footpaths and the construction of new footpaths. The first stage areas are sections of Richardson Street and Attwood Street. Full plan details of the sections are available by contacting Councils Works Manager, Mr David Holland or the Shire office.

Should any community member have any further queries please do not hesitate to contact the undersigned on 9963 3000. Thank you.
