#### **STRATEGIC COMMUNITY PLAN – STREET SIDE WORKSHOP**

The community is advised that as an important part of the Strategic Community Plan 2019 – 2029 process a Street Side workshop and information session will be held on Saturday morning 16<sup>th</sup> of March 2019. The venue will be on the main street with two locations. One of the locations will be outside the IGA with the second location being outside of the Post Office.

The purpose of the Street Side workshop is to provide information to as many community members as possible and to ask for feedback to the draft Strategic Community Plan.

The results of this Street Side workshop together with previous community forum workshops, survey results and formal submissions will be critical in developing the final Strategic Community Plan 2019 – 2029. Therefore the community is encouraged to be involved in the review process of the Strategic Community Plan as much as possible.

As previously advised the community will be progressively advised of the review process through further Community Public Notice's and in regular editions of Council Comments together with updates on Councils website. Should any community member have any further queries please do not hesitate to contact the undersigned on 9963 3000. Thank you.

A handwritten signature in blue ink, appearing to be "KJ Matthews", with a long horizontal line extending to the right.

KJ Matthews  
Chief Executive Officer
